

Treating Clients with Respect and Dignity

Levin & Perconti: Attorneys seeking justice for victims of injury and wrongful death since 1992.

Levin & Perconti was co-founded in 1992 by Steven M. Levin and John J. Perconti, who have 50 years of combined experience in personal injury law. Our knowledgeable attorneys include partners Susan L. Novosad, Jeffrey E. Martin, Lawrence B. Finn, and Scott R. Clewis; and associates Stephen J. Coukos, Michael F. Bonamarte, IV, and Patricia L. M. Gifford.

Each member of our firm has exemplary legal skills, high ethical standards, and believes in the trial by jury system of justice. Members of our firm are involved in the American Bar Association, Association of Trial Lawyers of America, Chicago Bar Association, Illinois Trial Lawyers Association, and Society of Trial Lawyers.

At Levin & Perconti, we are dedicated to representing individuals and their families in personal injury and wrongful death cases resulting from medical negligence, nursing home abuse and neglect, defective products, aviation and vehicular collision, premises liability, and construction accidents.

Our philosophy is that every person deserves to be treated with dignity and care regardless of their age, life expectancy, limited physical or mental capacity, or ability to earn wages. Providing diligent and compassionate representation for individuals from the youngest to the most senior members of our community remains our highest priority.

In-depth research and a unique understanding of specialized medical issues has been the key to our achievement of landmark multi-million dollar verdicts and settlements in medical malpractice cases involving birth injury and failure to diagnose breast, cervical, ovarian, pelvic and lung cancers.

Levin & Perconti has earned national recognition in the highly specialized area of nursing home abuse and neglect. We have obtained record results while drawing national attention to this unacceptable epidemic.

Steve and John are grateful to their peers for their confidence in us as "Leading Lawyers" in the area of Personal Injury Law and Litigation Skills.
