

## CHICAGO RESTAURANT LIST

Dear Clients,

Many of our clients, expert witnesses, and fellow attorneys live outside of the City of Chicago. In order to accommodate out-of-town visitors, we compiled a list of some of our favorite places to dine. The list covers a variety of cuisines at a range of price points. There are also several places to visit for an after-dinner cocktail. We hope you will find this list of recommendations helpful as you plan your trip to Chicago.

Feel free to email us with any questions at [questions@levinperconti.com](mailto:questions@levinperconti.com).
