Steve, John and Margaret's strong determination and willingness to take each of their cases to trial has resulted in tremendous benefit to their clients. The defense bar is well aware that Levin and Perconti have the ability and resources to build the best possible team of experts and professionals for the benefit of their clients. The injured party and their families quickly realize that when they retain Levin and Perconti, one of the most recognized law firms in the country, they may relax and transfer their trust to them during one of the most difficult times of their lives. I have had the pleasure of working with Steve, John and Margaret on many cases. Whether it is a case worth tens of thousands of dollars or a multi-million dollar case, their passion for their client is sincere and unwavering.

Sincerely,
